About The Property

Jumana is an affordable housing project, located in Al Madina Al Shamaliya, expected to become one of Bahrain's biggest and newest residential areas. The perfect location for families looking for a peaceful and quiet place to build their nest egg and own the home of their dreams. Jumana is part of the Kingdom's first public private partnership (PPP) agreement with the Ministry of Housing to provide social and affordable homes for Bahraini citizens. The project offers a combination of villas, townhouses and apartments to choose from.
